Dive Night: We had a great turnout for our final dive night on August 28th. With the conclusion of summer, the dive store hours change. Our winter hours at the store are Tues to Thurs from 1 to 5, except for when we are away, usually as we are on a dive holiday! When we are away we do forward

phones and leave a note on the door with our son's phone numbers for tank fills, etc. As always, if you want to stop in at any other time, please

phone and we will be happy to meet you.

Pumpkin Dive and Movie Night:

We are looking forward to the Pumpkin Dive this Saturday. Please join us, and enjoy a beautiful fall drive to Clear Lake. Bring your dive knife, a pumpkin, and be prepared for two great dives.

There is a mystery dive, followed by pumpkin carving underwater. If you have not already done so, please call or email the dive store to RSVP so we can arrange for food – lunch and snacks are

provided, as well as fantastic prizes. Rental equipment is still available, if you need it.

The pumpkin dive is one of the AUC's best attended events of the dive season, and we want to show all the out of town divers a great time.

Following the pumpkin dive we are hosting a movie night at the dive store. Movie night is totally informal – we get together to enjoy pizza, popcorn and visit with people we haven't seen in ages. Divers bring their 'best of' pictures and videos to show on the big screen. We tell dive stories and holiday adventures, with dive travelers entertaining new divers with amazing stories and pictures.
