Scuba course: Equipment Specialist June 23,
by Zoom
Zombie Dive fun
Self-Reliant dive course

PADI Equipment Specialist course: Wed. June 23, starting at 7 pm.

If you have made your investment in scuba equipment, or are thinking about it:

- Learn to manage basic scuba diving equipment repairs and adjustments. Understand routine care and maintenance procedures and how dive gear works.
 - Don't miss a dive due to minor issues with your scuba diving equipment.
 - Tips & tricks from David and Connie on extending the life of your equipment, and avoiding costly repairs.
- Price includes PADI e-learning – no knowledge reviews or exam for this course!
 - This is a virtual 'Zoom' course, so enjoy it in the comfort of your own home.

Zombie Apocalypse Diver Course: We had such fun at the Zombie dive. Thank you to the pro staff who helped, and to the divemaster candidates who did a masterful job of setting up, briefing, and coordinating the event by leading dive groups underwater. The world has been saved from a zombie apocalypse. Roaming zombies were shot with air bubble guns, zombie research control modules and containers of NXZ gas were retrieved, and zombies were found and removed from the lake!

Thank you divers, for enjoying our inaugural zombie apocalypse dive course! It felt like old times – to be able to gather with a group of divers for a fun event again.

Clear Lake report: The visibility is 20 to 30 feet! The water is warming up nicely.

Dive night: Can you think of a better place to be than at the lake on a hot summer evening? Tues. evening diving is a Clear Lake tradition. Divers gather to practice skills, dive for fun, socialize, and complete dive courses. Pre-registration is not needed, unless you require equipment rental or cylinders. We bring the dive trailer with any equipment requested to the lake. Our summer is short, take full advantage of this opportunity.

Self-Reliant dive course: Sat. June 26: We will be completing training dives at the lake on Sat. Other divers are welcome to come for fun dives. We have a large lake, there is room for many divers! Bring a buddy, or check with Dan for who you may be able to buddy up with.

See you at the lake!
