Sept. 26, 2021

Oct 1: Pumpkin dive 2022!

Pumpkin Dive: This epic dive event is a local tradition. You would think that in our 28th year the event would run stale....not yet!!!!
Bring your usual dive equipment to the event, a slate, a dive knife to carve your pumpkin, and a pumpkin! See the attached poster for timings, etc.

Mystery dive: The Ribstone Creek Zombies have stashed treasures for pumpkin carvers.

Divers, you don't want to miss this fun dive.

Pumpkin carving: After the mystery dive, enjoy a supplied BBQ lunch, warm up, change or fill your cylinder, grab your pumpkin, then go out to enjoy the pumpkin carving dive. Bring your carved pumpkin for judging, warm up, and compare results with other carvers, and try to bribe the judges examining the pumpkins.

Weather forecast: an incredible 20C. Come out and enjoy a beautiful fall day!

Pre-registration: is preferred, with payment in advance at the dive store: e-transfers, credit card, etc. The attached release can be sent to the dive store or brought in person to the event.

We continue the tradition of a Toonie 50-50 draw, with proceeds to go to Project Aware; and a Toonie draw with a special prize. Air fills available on site for \$15.

We'd love to see you join us for a strong finish to an amazing dive season!

If you've been to the pumpkin dive in the past, you know the fun waiting for you, if it is your first time – welcome to the UW pumpkin carving club!
