Movie night: Avatar Sneak Peak – Thurs. Dec 15, Lloydminster May Theatre at 6:45. We are over the moon excited to invite you to join us at a sneak peek of the new Avatar: The Way of Water by James Cameron. We were inspired watching the original Avatar movie at the dive shop this

weekend with our dive buddies, and we found out we can book at the May Theatre in Lloydminster to for an advance screening of the new Avatar in 3D.

Let's get together on Thurs. to watch the movie with other true water enthusiasts.

Our freediving buddy Kirk Krack has dedicated the past 5 years to training and working with actors on freediving skills on the movie sets. 60% of this movie is on and under water.

To join us, I may have a spare ticket, or book online at:

<https://www.cinemaslock.com/theatres/may-cinema-6>. See you there!

Mandy-Rae & Kirk Krack: Kirk invites divers & freedivers to take a selfie at the theatre giving the 'OK'.
