

Alberta Adventure Divers Sept 7, 2016

Dive fun continues!
Fall dive events.....

Rescue Course: Sept 10 & 11: There is still time to sign up for the Rescue Course! This is one of the 'pinnacle' courses you will always remember. Rescue students gain skills to save themselves and other divers from a potentially dangerous situation.

The Rescue program encompasses rescue techniques such as prevention, readiness to respond, first aid, CPR & AED review, decompression injuries, underwater searches, and use of specialized equipment.

This weekend of open water training scenarios has divers experience simulated "real life" situations that they could encounter in a real diving situation such as out of air divers, missing divers, a panic diver, diver with a pressure related injury, diver requiring immediate first aid, unconscious diver and many other scenarios.

This course is a must for anyone who is an avid diver. This includes the diver who travels on dive vacations and is likely to experience a diver who's received improper training or a diver who has NOT kept up their diving skills, equipment or knowledge.

Divers need to be certified Advanced Open Water, and have First Aid/CPR.

Course Cost is \$310 (plus elearning) and includes PADI Rescue Diver crewpak. If you're interested in this course sign up for the e-learning for Rescue, and start your journey to safer diving today.

Many call this their most memorable PADI course, and if you've got the Advanced Open Water Program under your belt, this is your next step towards your PADI Master Scuba Diver Rating.

Dive weekend: Sept 10 & 11: We will be teaching a Rescue diver course, and setting up for the pumpkin dive – please join the fun!

Dive night 2016: It has been a wonderful summer! For a small dive group in the middle of the prairies, we have a great time. Thanks for enjoying the diving with us, for showing new divers around our lake, and for improving dive skills. Of interest:

- we had 47 different divers come out to dive or visit on our Tues. dives.
 - If every person did only one dive in the evening, we would have 200 dives in the lake. Many nights we logged two dives, so the true number of dives is far higher.
 - perfect attendance goes to Dan and Jim-well done guys!
- Honourable mention to Vance, who only missed the last day – to take Duncan to his commercial diving course!

We enjoyed a fine evening, great diving, a campfire and bbq snacks on the final dive night.

Dive night fun
August 2016

Pool time: PADI Open Water lessons: class dates Sept 24 & 25. After these pool sessions,

you leave with a referral to complete the Open Water dives at a tropical destination. If you are interested, or have someone that wants to be your dive buddy, contact Dan at the dive shop.

Discover Scuba and Seal kids: join us in the pool Sept 24 or 25...email and we can set up a time!

Pumpkin Dive – Oct 1 at Clear Lake:

If you have never carved a pumpkin underwater, this is a great chance to check it off of your bucket list!

If you have taken part of this adventure with us, you know what fun we have at our pumpkin dive. It would be great to see you again.

The pumpkin preparations are underway! As usual, the first dive is a mystery dive, then we have a lunch break, and the second dive you and your buddy take your pumpkin underwater and carve it.

This is an AUC sponsored event.

AUC events: Keep an eye on the Alberta Underwater Council's website for the ongoing dive events in Alberta. Alberta Adventure Divers had a great turnout at Cold Lake's Underwater Rodeo in Aug!

Alberta Underwater Council: Divescapes: This is a great non-diving event about diving. It will be Oct 21-23, in Calgary. Mark your calendars now to join David and Connie. Divescapes is always fun, entertaining, educational, and a great time to meet dive buddies from around the province.

Store hours: We are open from 8:30 to 5:30 weekdays..... and this year we will remain open during the winter season! Stop by to check with Dan on the latest and greatest in dive equipment. If you wish to stop by after hours or during lunch please call so we can make arrangements!
