

**Alberta Adventure Divers
Sept. 25, 2017**

You are invited to
Clear Lake for a fun dive event:
a mystery dive, and
carving pumpkins underwater.

Pumpkin Dive – Sept 30! The pumpkin preparations are underway! As usual, the first dive is a mystery dive, then a lunch break, and the second dive you and your buddy take your pumpkin underwater and carve it. This is an AUC sponsored event, and Alberta Underwater Council members always bring prizes and support as well. Join the fun at the lake.

Registration is at 10:00, dive briefing at 10:30, judging at 3:30.
Cost is \$20/diver; \$5/non-divers; kids under 15 are n/c. Divers must be AUC members-you can settle up at the lake. A bargain for a day of fun, laughter, prizes, lunch and snacks!

Please email diver@albertadivers.ca, call the dive store, or message us on facebook if you're coming.

Do you have your pumpkin yet? Connie and David are out this weekend scouting for pumpkins. Fear not, if you can't find one, Matthew's mom's pumpkin patch did very well this year, and he will be bringing some extras to the lake for divers in need.

Clear Lake weather and visibility report: The visibility has been an incredible 20 feet and more this Sept. We don't understand why, but we'll take it!

And, for those who experienced the epic, unforgettable weather at last year's pumpkin dive, this year the weather forecast is for a beautiful fall day.

This mystery is as much fun as carving the pumpkin underwater!
During the mystery dive, you will encounter some newly created artifacts, and decide where you will carve your pumpkin for the second dive.

After the mystery dive, we'll have a warm lunch, and the air trailer: \$8 to refill your tank, if needed, for dive #2 - carving your pumpkin. Yes you really do want to carve your pumpkin underwater. Each buddy pair carves one pumpkin together. If you need a buddy, we will match you up with another diver looking for a buddy.

If you have never carved a pumpkin underwater, this is a great chance to check it off of your bucket list! If you have taken part of this adventure with us, you know what fun we have at our pumpkin dive. It will be great to see you again.

Plan to pack up your dive gear and join us at the beach at Clear Lake on Saturday.

If you expect to be here let us know so we can coordinate our food and prize preparations. Last minute surprise divers are welcome, of course, should your plans change.

After the event, you are welcome to join us for an optional movie night at the dive store. Relax; share your dive pictures with us and we'll share ours with you!

Directions to Clear Lake:

From Lloydminster: head south to Hwy 14, then west to Hwy 610.

From Wainwright: on Hwy 14, drive 10 km east to Hwy 610.

At Hwy 610 turn south – it is marked with signs to Arm Lake Recreation area & Clear Lake. Go ~10 km south (cross the railroad track), turn right at the sign to Arm Lake/Clear lake. Follow this road a couple of kilometers - you will get to the top of a hill and see the lake. Follow the road to the right a kilometer and you will see the public beach at the bottom of the hill. It is not well labeled, but it is the only open area with parking and a beach.

Store hours: We are open from 8:30 to 5:30 weekdays, closed for lunch. Stop by to check with Dan on the latest and greatest in dive equipment. If you wish to stop by after hours or during lunch please call so we can make arrangements!
