

**Alberta Adventure Divers  
Sept. 25, 2018**

You are invited to  
Clear Lake for a fun dive event:  
a mystery dive, and  
carving pumpkins underwater.  
Warm up at our dive social after,  
at the dive store!

**Pumpkin Dive – Sept 29!** The pumpkin preparations are underway! As usual, the first dive is a mystery dive, and the second dive you and your buddy take your pumpkin underwater and carve it. This is an AUC sponsored event, and Alberta Underwater Council members bring their support as well.

Join the fun at the lake.

Registration is at 10:00 at the Clear Lake public beach, dive briefing at 10:30, judging at 3:30.

Cost is \$20/diver; \$5/non-divers; kids under 15 are n/c.

Divers must be AUC members-you can settle up at the lake.

A bargain for a day of fun, laughter, prizes, lunch and snacks!

Please email [diver@albertadivers.ca](mailto:diver@albertadivers.ca), call the dive store, or message us on facebook if you're coming.

Bring a pumpkin and a slate for the mystery dive. A lawn chair is nice to have as well.

With your basic scuba gear, you'll need a knife and a good imagination for carving.

We'll have the dive trailer, with air fills available for \$8, and tanks for rent for \$15 if needed.

**Clear Lake weather and visibility report:** Dress for the weather – the current forecast is +7C and overcast – not bad. Visibility last weekend was 6 to 10 feet; we're setting the activity up to work in the areas where the vis is the best.

The mystery is as much fun as carving the pumpkin underwater!

Yes you really do want to carve your pumpkin underwater. Each buddy pair carves one pumpkin together.

If you need a buddy, we will match you up with another diver looking for a buddy.

If you have never carved a pumpkin underwater, this is a great chance to check it off of your bucket list! If you have taken part of this adventure with us, you know what fun we have at our pumpkin dive. It will be great to see you again.

If you expect to be here let us know so we can coordinate our food and prize preparations. Last minute surprise divers are welcome, of course, should your plans change.

After the event, you are welcome to join us for an optional social event at the dive store. Relax; share your dive pictures with us and we'll share ours with you!

Every dive is a clean up dive!

Sometimes there are prizes for trash found.

### Directions to Clear Lake:

From Lloydminster: head south to Hwy 14, then west to Hwy 610.

From Wainwright: on Hwy 14, drive 10 km east to Hwy 610.

At Hwy 610 turn south – it is marked with signs to Arm Lake Recreation area & Clear Lake. Go ~10 km south (cross the railroad track), turn right at the sign to Arm Lake/Clear lake. Follow this road a couple of kilometers - you will get to the top of a hill and see the lake. Follow the road to the right a kilometer and you will see the public beach at the bottom of the hill. It is not well labeled, but it is the only open area with parking and a beach.

**Store hours:** We are open from 8:30 to 5:30 weekdays, closed for lunch. Stop by to check with Dan on the latest and greatest in dive equipment. If you wish to stop by after hours or during lunch please call so we can make arrangements!
