

## PADI Rescue Diver & O<sub>2</sub> Provider courses Sept. 16 & 17, 2023

Most who have completed rescue say that every diver should have this course!

This course is not only about dive skills, it is about preventing and avoiding difficult or dangerous situations. You will learn about self-awareness, and knowing the best actions to take in the case of a dive situation. Many of our students have come back and reported that the situational awareness lessons they learned have helped in non-diving events.

Bonus: PADI O<sub>2</sub> Provider certification is included in course price!

### Prerequisites:

\*First aid with CPR within 2 years: If you do not have this; contact the shop; we can incorporate it into the course (cost of \$100).

\*The Advanced course is not required, but three adventure dives including Navigation is required.

\*Rescue E-learning: \$232

**Equipment:** Dive gear; lunch & snacks; dress for the weather.

### Course schedule:

**Sat.: 10 am to 6 at Clear Lake**

- Documentation & quick review: First Aid ticket copy for file
- Create emergency assistance plan
- Dive skills and exercises

**Sun.: 10 am to 4 at Clear Lake**

- Exercises & Scenarios

**Cost:** Course fee \$485+gst

- includes AED use, oxygen, specialized equipment, instruction, certification
- Equipment rental is additional. Cylinder rent is included, n/c for air fills if needed. For our military members, the CANEX program is available

The Rescue Diver course is a pivotal step in expanding your dive knowledge and experience. Building upon what you have already learned, this course expands on what you know about preventing problems and what to do if they occur. You will find this course both demanding and rewarding as you learn to rise to the challenges and master your new skills while making the transition to looking beyond yourself and consider the safety and well-being of others.

If you have any questions, please contact the dive store at (780) 842-2882.
