

## Zombie Apocalypse Diver Course FAQ's

This course is unique, challenging and original; it is designed first and foremost to be a safe exercise in diving. Being informative and fun is a close second.

This course was designed using state-of-the-art dive training – and the latest intelligence on zombies! It offers divers the chance to hone their skills and enjoy a day of wild adventure in the water... while testing their skills for survival through a Zombie Apocalypse!

- Obtained over the course of 2 scenario-based dives, trainees will earn their certification by completing a unique series of challenges and obstacles.
- Divers will test their survival skills, rescue skills and a few skills they didn't even know they had.
- At the end they will obtain the most sought-after certification card in scuba history: Zombie Apocalypse Diver.

### FAQ's:

**How do I sign up?** Contact the dive store by email or phone.

**What level of dive certificate is required?** Open Water – although all levels will enjoy it and use the skills they have acquired in specialty courses.

**May I come in costume?** Yes. Costumes are optional and can be simple to create. You may have a land costume/make up suitable for on land before diving; or a costume you can wear with dive gear.

**Can I use my Zombie photo for my PADI certification card?** Yes, special dispensation has been issued by PADI to allow students to have their photos taken in zombie makeup. PADI standards regarding the prohibition of hats and sunglasses remain in effect. Be creative in your makeup, however, remember that the intention of this course is for a fun and jovial experience. This is a privilege granted by PADI and abuse may prohibit future use. Please refrain from intense gore or alterations so extravagant that the person is not recognizable.

**What if I have no dive buddy?** No problem – this is a team event, with experienced divers and less experienced divers working together to solve problems in small groups, with a pro-staff team leader.

**We look forward to seeing you!**

Connie & David Faas, and our pro-staff extraordinaire who have survived previous infections!
