

Women's Dive Day Aug. 7, 2021 Dive Against Debris!

Welcome divers and surface support, women and men!

Let's bond over a love of the water and a passion for diving.
We'll strengthen and support the dive community through
a day of fun, adventure and camaraderie.

10:00 Registration

Event releases & Buddy teams established

10:30 Dive briefing

Dive Against Debris – in Clear Lake
We'll boat to a location at the lake
where boaters regularly loose anchors
We'll search for any debris we can find,
and hopefully recover anchors!

Return by boat to the main beach; weigh and categorize our debris.
We'll tag each anchor with the finder's name, and the next day at a cabin
owner's meeting we'll see if we can find owners: we'll propose a finder's
fee for return (the price of two air fills – to go to each buddy).

~1:00 Picnic Lunch on the beach

Dive event group picture
